

# ACE Resources

The VCU Rehabilitation Research and Training Center's Autism Center for Education, or ACE, offers a wide variety of online training opportunities and resources for professionals, families, individuals with ASD, and the community across the Commonwealth. All of our resources are FREE and easily accessible, so you can find what options are right for you and your school division!

The best way to know about upcoming events and new resources from ACE is to:

- ▶ Visit the [ACE Website](#) & [Early Childhood Website](#)
- ▶ Sign up for the [ACE Mail List](#)
- ▶ Follow ACE on: [Facebook](#) & [Instagram](#)

Sign up for [MyACE!](#) This individualized dashboard tracks ACE professional development activities making it easier for you to keep record of Recertification Points and Continuing Education Units (CEUs).

Scan the QR Code to access this flyer with links!

## Factsheets

ACE Factsheets are a site favorite! Download, print, and share these short visuals that provide a snapshot of specific strategies or practices and provide additional resources if you would like to know more.

Always Available

10 Minutes

[vcuautismcenter.org/resources/factsheets/](https://vcuautismcenter.org/resources/factsheets/)

## Microlearning

Small bites of learning on hot topics focused around foundational knowledge and easy-to-implement skills and strategies.

Always Available

10-15 Minutes

[vcuautismcenter.org/te/microlearning.cfm](https://vcuautismcenter.org/te/microlearning.cfm)

## Videos

Are you a visual learner? Videos are great for individuals as well as group viewing and discussion! Our video library offers a variety of formats, such as how-to's for implementing evidence-based strategies, snapshots from real classrooms, quick tips from subject matter experts, and comprehensive information on a variety of topics.

 Always Available

 5-60 Minutes

 [vcuautismcenter.org/te/video/landing.cfm](http://vcuautismcenter.org/te/video/landing.cfm)

## Webcasts

Presentations delivered by national and state experts in the field of ASD. Hear up-to-date research and detailed information about strategies right from the leading voices in the field and right in the comfort of your home or workplace! Webcasts are archived so you can watch again and again or share with a colleague or friend!

 Yearly Schedule & Archives

 45-60 Minutes

 [vcuautismcenter.org/te/webcasts](http://vcuautismcenter.org/te/webcasts)

## Learning Dashboard

MyACE Dashboard is an easy way for educators to customize learning opportunities that match their needs and interests. Once a participant completes all the material in a module, they'll take a quiz and earn a badge. See how many badges you can earn using this platform!

 Always Available

 1-6 Hours

 [vcuautismcenter.org/myACE/login/index.cfm](http://vcuautismcenter.org/myACE/login/index.cfm)

## Online Courses

Self-paced courses allow participants to go at their own pace and have recorded presentations from various experts in ASD and video examples.

Facilitated courses have recorded presentations, video examples, quizzes, and interactive discussion boards hosted by a course instructor.

	<u>Self-Paced</u>	<u>Facilitated</u>
	Always Available	Yearly Schedule
	5-15 Hours	20-30 Hours / Over 4-6 Weeks
	<a href="http://vcuautismcenter.org/te/courses">vcuautismcenter.org/te/courses</a>	

## Tools

No need to reinvent the wheel. The ACE team has a variety of tools and form templates that you can use to assess needs and implement strategies discussed in our resources. Tools include:

- ▶ Classroom Walkthrough Tool
- ▶ Task Analysis Form
- ▶ Communication Toolkit
- ▶ And more!

 Always Available
