

VIRTUAL LEARNING COMMUNITY

in Autism

AUTISM CENTER FOR EDUCATION

Looking for ways to implement evidence-based practices (EBP) to improve student outcomes? ACE-VLCAs bridge the gap between theory and application, so you can make a lasting difference in your students' lives. Through a blend of self-paced online activities and weekly Zoom sessions, you'll gain:

- Expert-led interactive instruction on the EBP
- Collaborative discussions on classroom implementation of strategies
- Practical skills through hands-on tools and application activities
- Guided reflection and problem solving
- A certificate for 10 contact hours
- A network of passionate autism educators across the state!
