The background is a light gray with various colorful elements. There are several puzzle pieces in shades of purple and pink scattered around. A prominent pink brain icon with a white puzzle piece in the center is located below the text. There are also abstract shapes like a purple flower, a purple circle, and a purple cloud-like shape. Dashed lines and wavy lines are also present, adding to the dynamic feel of the design.

Preparing for Post-Education and the Benefits of Early Employment Experiences

Housekeeping

M.S., CRC, LRIC**

VCU RRTC-
Rehabilitation Counselor

What We Want to Talk About....

Preparation 01

Building a support network

Focusing on the discovery process early

Getting work experience while in school & at home

Getting Connected 03

Understanding services & resources

Learn about various transition programs

Benefits 02

Transferable Skills

Why are they important

Self Determination

How being able to advocate for yourself helps

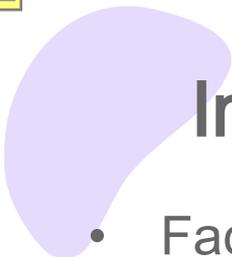

Questions & Answers 04

Let's talk about it!

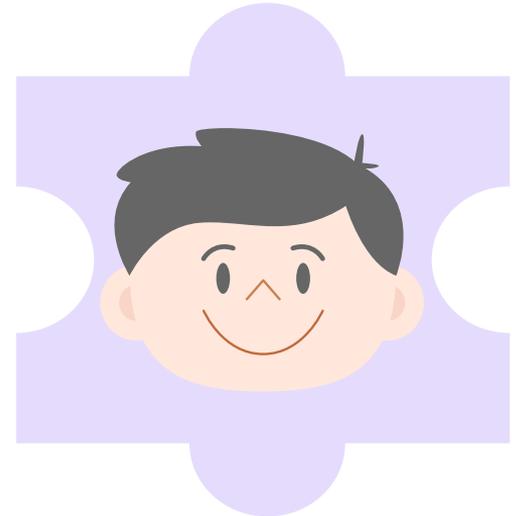

Importance of Early Employment Experiences

- Facilitates early collaboration and connection among the student, family, and school staff
 - Allows for the discovery of students' interests and abilities
 - Better prepares students and families for transition
 - Empowers students to be self-directed
 - Can enhance overall quality of life
- 

Who Can Support?

Parents/
Guardians

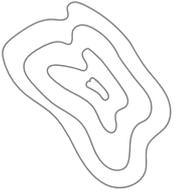

Teacher/School Based

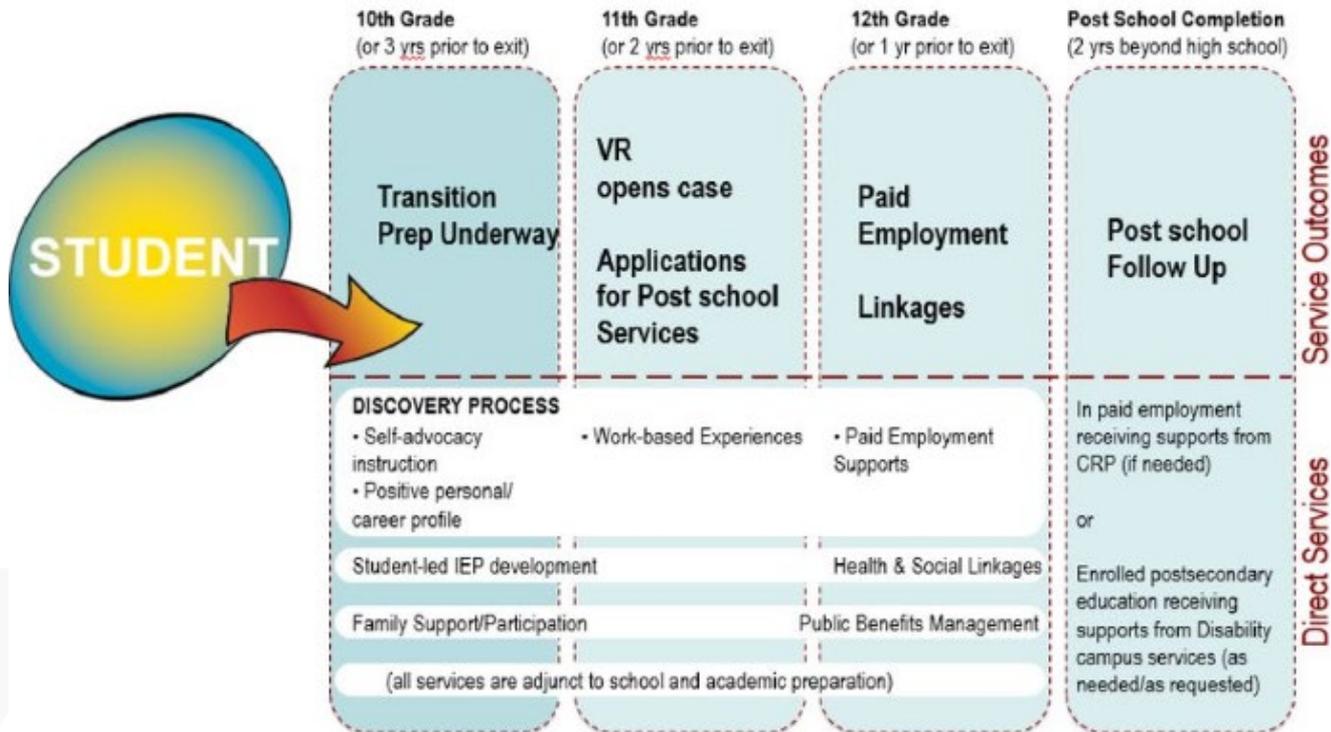

Students

Voc Rehab
Service Providers

Flow of Student Services

Reflect on Current IEP Goals

Are they SMART Goals?

Are they individualized to my student intern?

Are there specific objectives to meeting these goals?

Are they meeting the needs of my student/intern?

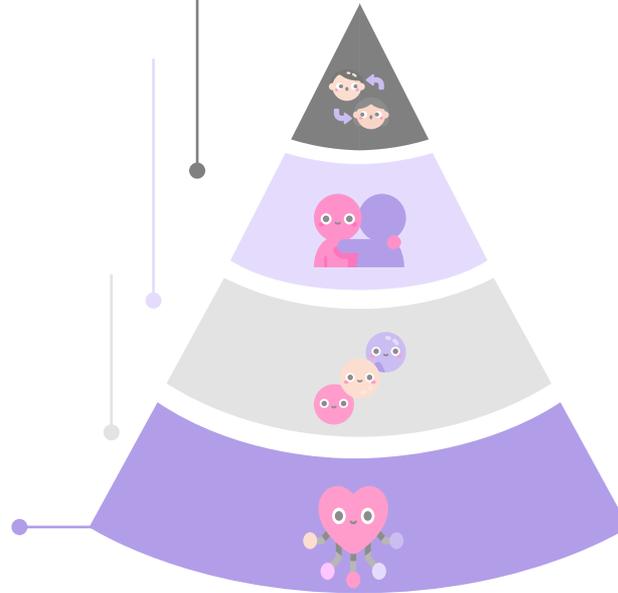

Transferable Skills

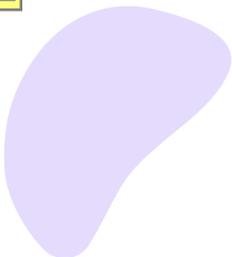

Abilities that you develop
throughout life

Soft and Hard Skills

Skill set that is beneficial in
many roles

Can transfer across many
environments

Promoting Transferable Skills at Home

- Choose activities that help promote communication and other social skills
 - Choose activities that help build self-determination skills
 - Engage in activities that require focus/ concentration
 - Work on stamina/ endurance
- 

Implementing Activities at Home

Chores/Cooking

Exercise

Routine

Using Timers

Schedules

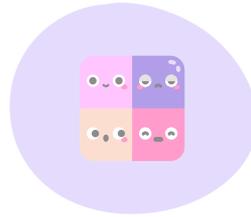

Choice Boards

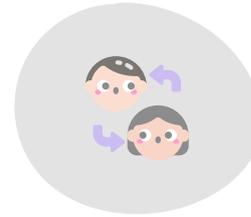

Promoting Transferable Skills at School

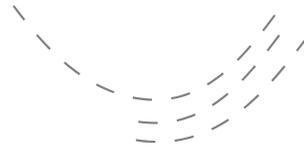

In School
Vocational
Tasks

Community
Based Work
Opportunities

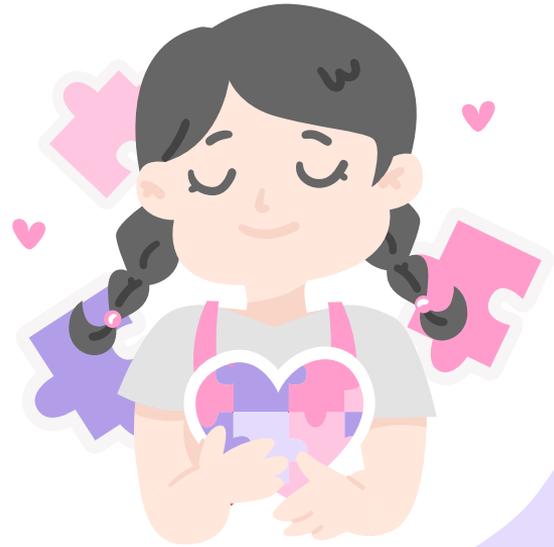

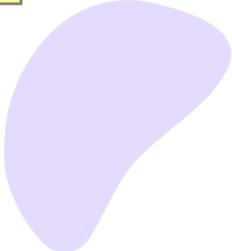

Tasks that
Promote
Teamwork

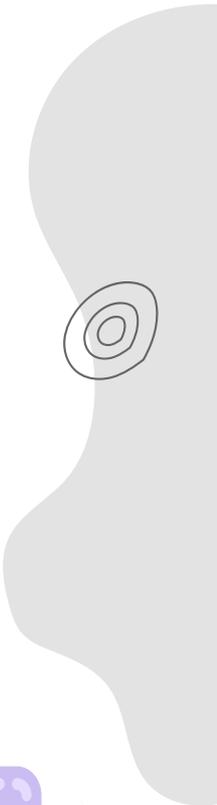

Self Determination Theory

- Belief in one's abilities to achieve goals
- Increases motivation to enhance skills
- Strengths exploration and self advocacy
- Promotes autonomy and independence

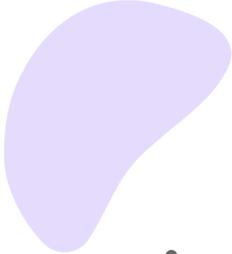

Promote Self Determination

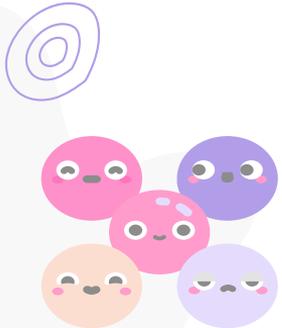

- Start while the student is in middle school or as early as possible
 - Collaborative effort to uncover abilities and interests
 - Create opportunities for discovery to take place
 - Community activities
 - Family and friend connections
 - Online resources
 - Create space for open discussion for discovery to take place
- 
- 

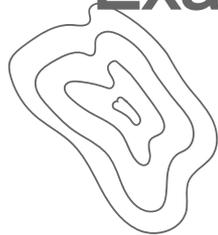

Getting Connected to Services

- DARS = Department of Aging and Rehabilitative Services
 - Contact your local office to begin the referral process
 - The following services are provided...
 - Help individuals with disabilities to find and maintain integrated, competitive employment
 - Connect clients with job coaches
 - Pre-ETS (PreEmployment Transition Services)
 - Connect families to their local community service boards for additional resources

Examples of Transition Based Programs

Pre-ETS

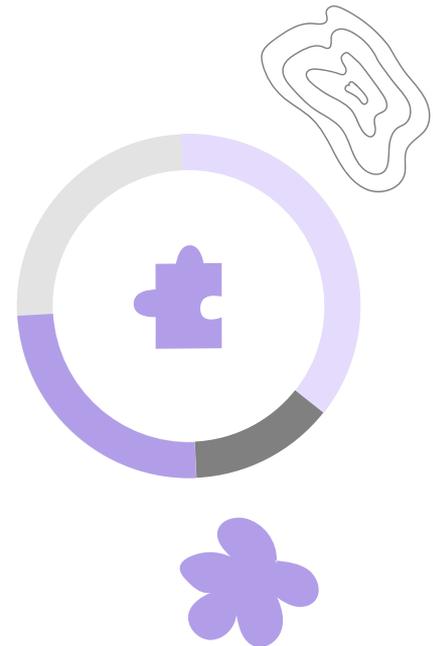

ACE-IT
