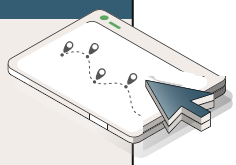
PARAPROFESSIONALS

VCU-RRTC ACE
Autism Center for Education

Paraprofessionals are the essential "boots on the ground" who help schools run smoothly by supporting students and staff every day! Explore these resources to strengthen your work with autistic students.

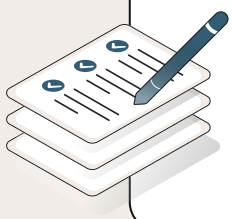


ASD for Paraprofessionals

Fulfill your state requirements while mastering the essentials of autism support. This online course is specifically designed for paraprofessionals to meet Virginia's HB 325 Training Standards. You'll walk away with practical, evidence-based strategies to confidently support students with autism in your classroom.

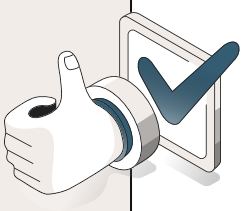
Microlearnings

Small bites of learning on hot topics focused on foundational knowledge and easy-to-implement skills and strategies. Schedules, Everyday Transitions, and Strategies to Support Autistic Learners are great places to start! Microlearning is always available and takes just 10-15 minutes to review. Keep an eye out for new modules.



Printable Factsheets & Tools

From visual snapshots of evidence-based practices to ready-to-use form templates, we've done the heavy lifting so you don't have to 'reinvent the wheel.' These free, downloadable tools are perfect for printing, sharing, and immediate implementation of strategies with the students you support.



More Resources

Explore our growing collection of resources curated by the ACE team, specifically for Paraprofessionals. We frequently add new tools and external links to ensure you always have access to the most relevant information.
