

Cultivating Communication for All: Building Communication Rich Classrooms & Supporting Prosocial Behaviors

REGIONAL COMMUNICATION WORKSHOPS

Join us for this FREE one-day workshop in your region to learn about evidence-based practices for students with ASD who have communication and behavior support needs! Our goal is to equip special educators with information, resources, and tools specifically designed with your students in mind. During this interactive workshop, you'll create customized materials that can be implemented in your classroom right away!
