

Connect. Learn.
Grow.

"Stronger Together: Fostering Connections in Our Autism Community"

2026-2027

Join our quarterly virtual sessions created for families and caregivers of autistic students. Discover strategies and resources, share stories, and build community as we support every student's journey from school to adulthood.

Who Should Attend?

Parents, caregivers, and family members who support autistic students in the public school setting.

Each meeting will include:

- Tools and resources from VCU-RRTC-ACE, statewide partners, and leaders in the field
- Lived experiences and insights from students/self-advocates and their families
- Research-based strategies to support autistic students and their families

Our goal is to empower families with knowledge, community, and confidence to support student success in inclusive learning and beyond.
