

# Communication Bill of Rights

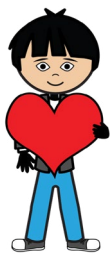

To interact socially

To request wants

To say no

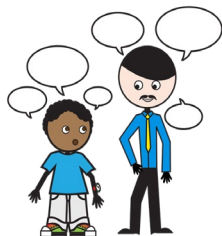

To express feelings

To be given meaningful choices

To share opinions

To be heard and responded to

To have the use of my AAC at all times

To have my communication system in working order

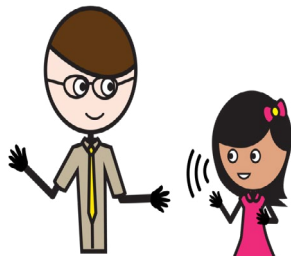

To ask and know about my world

To be taught how to communicate

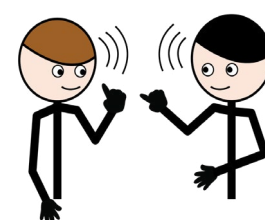

To be treated with respect and dignity

To be spoken with, not about

To have culturally sensitive interactions

To ask for and get attention and interaction
